This permit is issued pursuant to all provisions of City of Oakland Ordinance No. 12005 C.M.S., "Creek Protection Ordinance". This permit is granted upon the express condition that the permittee shall be responsible for all claims and liabilities arising out of work performed under this permit or arising out of permittee's failure to perform the obligations with respect to this permit. The permittee shall, and by acceptance of this permit agrees to defend, indemnify, save and hold harmless the City, its officers and employees, from and against any and all suits, claims or actions brought by any reason for or on account of any bodily injuries, disease or illness or damage to persons and/or property sustained or arising in the construction of the work performed under this permit or in consequence of permittee's failure to perform the obligations with respect to this permit. Violations of the provisions of the Creek Protection Ordinance are subject to fines and penalties specified under Section 20-3.030 of the Ordinance.

CONDITIONS OF PERMIT

- a. All other permits pertinent to the work shown on Item 7 above shall be obtained prior to commencement of work.
- b. This permit is valid only when signed by the Chief of Building services or his authorized representative.
- c. This permit shall be available at the work site at all times.
- d. Work shall be conducted in such manner as to minimize dust, debris, noise and impact to the watercourse.
- e. Permittee shall be responsible for cleaning and repair of damage to the surrounding areas resulting from the work.
- f. Left Blank
- g. Permittee shall implement the approved creek protection plan as further specified in the Special Conditions below.
- h. Permittee shall implement creek protection measures specified on Item 10 above and in the creek protection brochures provided by the City.
- i. Special Conditions: **See attached Special Conditions.**
